Place:

Steve has been doing motivational juggling since 1995. Word of his talent quickly spread, and he found himself being asked to share his motivational messages and juggling talents for groups of all ages.

Over the many years since that time Steve's programs has developed into a world class combination of juggling, comedy, and challenging teaching.

You never know what you may see "flying through the air": raw eggs, machetes, cannon balls, globes or giant Chinese yo-yos flying. No matter what is in the air you are sure to enjoy the powerful message of Steve Winger.
